MR. WILFREDO E. CABRAL
Regional Director
Department of Education
National Capital Region

Through: Ms. Bernadette Daran
Education Program Supervisor

Dear Director Cabral:

I hope you and your family are well and safe.

Thank you for always supporting MTAP Programs and Projects.

Last School Year, we had the POEM- MTAP Saturday Program. Thank you for a big number of attendees from the National Capital Region.

For school year 2022-2023, we will not have again the annual MMC-Math Challenge. Despite having no competitions, MTAP intends to continue its support to DepEd's campaign in uplifting the quality of Math education and in addressing the learning gaps among our learners through our Program of Excellence in Mathematics (POEM). This year we will have again our POEM- MTAP Saturday Program online.

Attached is the DepEd Advisory for the said activity. However, due to some technical concerns we decided to move the date from January 7 to February 11, 2023.

Here is the link to register: <https://mtaphil.com/register/poem-2023>

We are again hoping for your support through an advisory for the region.

Thank you and More Blessings!

Very truly yours,

FLORDELITA G. MALE
MTAP President
