Dear Sir:

In the past two years, everyone has suffered difficulty due to COVID-19. As a breakthrough, we would like to submit our proposal for an Acrobatic Show catering student's entertainment as a diversion from their sad experiences by giving them hope, happiness, and inspiration to bring back their lost smiles. The said show is relevant to the subject, MAPEH.

We are also launching an ANTI-DRUG ADDICTION CAMPAIGN to implement good influence and avoid any kind of vices. Furthermore, we would like to encourage each student to indulge themselves some activities to enhance their skills and talent.

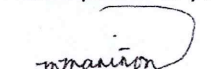

The show is highlighted with the most thrilling basketball exhibition while riding 3 and 12 feet high monocycles together with their breath-taking stunts. The acrobatic also feats with role-play - magical and puppet shows, which ensures audience real enjoyment and satisfaction.

Moreover, schedule of shows was planned to minimize disruption of classes during school days. We suggest a schedule on weekends (Saturday and/or Sunday). Voluntary donations is highly appreciated. This is not compulsory. We are strictly requiring everyone who are attending the event to wear facemask and maintain social distancing.

In this regard, we would like you to be part of us in this undertaking by the way of endorsing us to your different schools in NCR. This will be a great help in our foundation whose goal is to bring joy and inspiration to the people around us by showing our skills as proud Filipino Acrobats and Performers. To enlighten you with this show, we will be available anytime to discuss with you this matter.

Thank you for your kind attention. We look forward for your favorable response regarding this project.

More power to you!
