ECON-NOMIX

In reference to the attached letter from UP Organization of Business Economics Majors (UP OBEM), an annual economics convention will be held on March 25-26, 2023, via online platform.

The event aims to bring together over 300 high school students nationwide to promote economics concepts.

FORTIFY
Fostering PH Social Welfare by
Empowering the Agricultural Economy

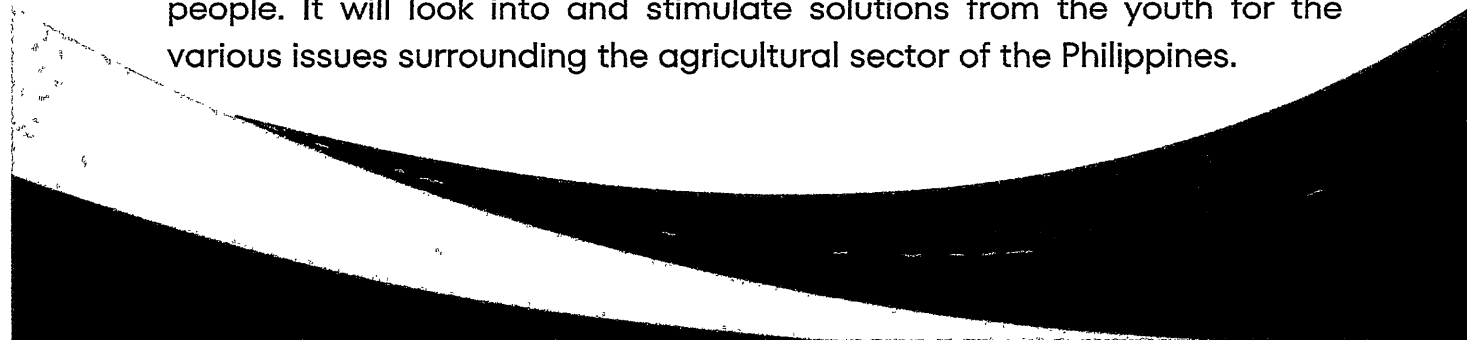

Greetings!

At times when issues such as food shortages and insecurity are threatening national economic growth and progress, now more than ever, we are steadfast in instilling unity, service, and excellence.

We are the **UP Organization of Business Economics Majors (UP OBEM)**, a duly recognized socio-academic organization based in the School of Economics, University of the Philippines Diliman. It has been triumphant in furthering its core thrusts of unity, service, and excellence. Now in its 35th year, UP OBEM continues to promote and strengthen its presence as the only business organization in the UP School of Economics, committed to fostering academic excellence and providing exposure to business and economics environments among its members and the student community.

This year, the UP OBEM will once again hold **Econ No-Mix, an annual economics convention that aims to bring together over 300 high school students nationwide** to promote economics by introducing different economic concepts in various fields through talks and competitions. It will be held on **March 25 and 26, 2023**, via several online platforms, primarily **Zoom**.

Now in its third year of online adaptation, Econ No-Mix is back with the title **"FORTIFY: Fostering PH Social Welfare by Empowering the Agricultural Economy."** This year's Econ No-Mix will feature agricultural economics, with a particular focus on the various ways in which the country's agricultural condition can affect the welfare of the Filipino people. It will look into and stimulate solutions from the youth for the various issues surrounding the agricultural sector of the Philippines.
