El Embajador de España

Manila, March 8, 2023

Dear Principal,

As the Spanish Ambassador to the Philippines, I would like to personally thank you for your collaboration with the Spanish teacher training programme - Europrof - which is being developed in your school.

With a budget of over 1.5 million pesos and a duration of 3 years, this programme is an important milestone for the Philippines, as it is the first time that it includes a country in the Asia-Pacific region.

The programme, now entering its second year, will enable Filipino teachers of Spanish to improve their level of linguistic competence, which will undoubtedly benefit the teacher, their students, and their school as a whole.

As you know, the Philippine and Spanish Departments of Education have signed an agreement in order to bring this programme, which involves a great effort on the part of the teachers, to a successful conclusion.

That is why I am asking for your cooperation in facilitating the Spanish teacher's attendance to the classes and exams of the programme, and to reduce as much as possible their teaching and bureaucratic burden.

I am sure I can count on your understanding, help and cooperation, for which I thank you sincerely in advance. Please acknowledge receipt of this message.

Yours faithfully,

Miguel Utray Delgado
Ambassador of Spain to the Philippines
