MR. WILFREDO E. CABRAL

Regional Director

Department of Education, RONCR

Misamis St., Bago Bantay, Quezon City, Philippines

Dear Sir:

The Mathematics Trainers' Guild (MTG), Philippines supports the thrusts of the Department of Education in promoting excellence in mathematics and science education among the Filipino youths in the public and private elementary and high school levels. Our projects and programs have been aligned to the goals of your department since we also dream that every Filipino will be proficient in mathematics and science.

In connection thereto, the MTG Philippines after conducting the series of training for the country's finest math wizards will send participants representing the Philippines in the following math contests:

Mathematics and Science Competitions	Dates	Venues
World Math Fusion Olympiad	April 29 - 30, 2023	Manila
Hua Xia Cup China Math Olympiad	May 28, 2023	To be Announced
International Mathematics Wizard Challenge	June 23 – 26, 2023	Malaysia
Bulgaria International Mathematics Competition	July 1- 7, 2023	Online
Po Leung Kuk Primary Mathematics World Contest	July 14-17, 2023	Online
Pan-Asia Pacific (PAP) International Mathematics Invitation Competition	July 28 – 31, 2023	Hong Kong
International Mathematics Competition- Singapore	July 28 – 31, 2023	Singapore
I Love Math Summer Camp	July 2023	To be Announced
Asia International Mathematics Olympiad	August 6, 2023	Malaysia
Global Math Olympiad	August 2023	Vietnam
SYA Friendship International Mathematics Competition	September 2023	Online
International Mathematics and Science Olympiad for Primary School Students	November 3 – 7, 2023	Online

The objectives of the Philippine participation in the several international Mathematics and Science competitions are to:

- a. provide the Filipino youths the appropriate venue to enhance their skills through participation in international Mathematics and Science competitions;
- b. develop the mathematics and science potentials of Filipino students to meet the international mathematics and Science standards;
- c. prove that Filipino students can stand at par with the world's best in mathematics and science; and
- d. promote the Filipino culture and heritage to the world's youths.

The target participants are interested students or trainees who underwent the series of training programs of the MTG Philippines.

Your good office can help us in the dissemination of this information through an advisory so that the Philippines can be represented by the best and finest Filipino Math and Science wizards in international Math and Science contests onsite and offsite/online.

We look forward to your generous support to this endeavor since our only desire is to give the Philippines a good representation in the scheduled international math competition.

We can be very accessible through *Mr. Aldwin O. Sahirul* at his email address, aldwinnn2001@yahoo.com or mobile phone no. 0917-6377-790.

We hope our request will merit your affirmative response.

Thank you very much.

Very truly yours,

Simon L. Chua, D.T.
