MEMORANDUM

FOR : **ALL REGIONAL DIRECTORS
CONCERNED SCHOOL DIVISION SUPERINTENDENTS
REGIONAL PARTNERSHIP FOCAL PERSONS**

FROM : 
MARGARITA CONSOLACION C. BALLESTEROS, PhD
Director IV

SUBJECT : **CONDUCT OF 2023 WRITESHOP ON BRIGADA ESKWELA
IMPLEMENTING GUIDELINES**

DATE : **March 27, 2023**

The Department of Education (DepEd), has first implemented the *Brigada Eskwela* or the National Schools Maintenance Week with the issuance of DepEd Memorandum No. 79 in 2003 consistent with Republic Act 8525 otherwise known as the Adopt-A-School Program Act of 1998. From 2003 up to the present, *Brigada Eskwela* serves as one of the major initiatives of DepEd involving all the sectors of the community to help prepare public schools for the opening of classes.

The *Brigada Eskwela* program enjoins participating schools to conduct a week-long event organizing local communities in order to work together in preparing the schools for the opening of classes. The program brings together parents, students, alumni, civic groups, local businesses, non-government organizations and individuals who volunteer their time and skills to do classroom repairs, maintenance work, and clean-up of public elementary and secondary schools. Besides community organizing, it also addresses resource gaps of schools through strengthening public-private partnership and allowing them to sponsor or provide financial support in any school program.

Through the years, the program, through the efforts and support of various stakeholders and external partners, have resulted in improved schools' facilities and better learning environment. However, schools experience challenges in program implementation due to resource constraints against expected deliverables.

Below are the issues and challenges encountered relative to the program implementation of *Brigada Eskwela*:

1. **Insufficient capacity of schools to implement the program.** Due to the limited budget and manpower, several public schools find it difficult to achieve overwhelming expected outputs and activities prior to school opening.
2. **Difficulty in sustaining partnership with volunteers and external stakeholders.** Despite the participation of communities and volunteers in various sectors (NGOs and other government agencies), several schools experience difficulty in sustaining their partnership with volunteers and external stakeholders caused by the unnecessary and or too much pressure on external partners to provide donations and services in order to address the lack of additional resources to supplement school operations.
3. **Reluctance or unwillingness of teachers to participate.** Teachers and school heads expressed concerns due to the overwhelming tasks expected of them relative to the *Brigada Eskwela*.

The Planning Service of the Department of Education recommended a comprehensive program evaluation leading to policy formulation which shall be issued as a DepEd Order in order to institutionalize an effective and efficient *Brigada Eskwela* Program implementation.

Below are the recommendations of Planning Service:

1. Identify appropriate activities relative to the outcome/s and goal/s of the program.
2. Identify the roles and responsibilities across all governance levels.
3. Adopt guidelines on external partnerships.

In response to the recommendation, the External Partnerships Service (EPS) will be conducting a Writeshop on *Brigada Eskwela* Policy Guidelines on April 12-14, 2023 in DepEd Ecotech Center, Lahug Cebu City.

In this regard, may we request the following personnel listed on the attached document to participate in the said Writeshop.

Also attached is the indicative program for your reference.

For any concern, your staff may contact the EPS personnel:
