MEMORANDUM

TO : **REGIONAL DIRECTORS**
(III, IV-A, V, and NCR)

FROM : **Atty. REVSEE A. ESCOBEDO**
Undersecretary for Operations

FRANCIS CESAR B. BRINGAS
Assistant Secretary for Operations

SUBJECT : **Invitation to Participate in the 2023 National Innovation Day Celebration**

DATE : **April 13, 2023**

This Office endorses the attached memorandum from Kristian R. Ablan, Undersecretary for Administration, dated April 11, 2023, regarding the invitation to participate in the 2023 National Innovation Day (NID) Celebration on April 28, 2023, organized by the National Innovation Council (NIC), under the National Economic and Development Authority (NEDA).

The event aims to introduce the innovation efforts of the NIC and encourage various innovation actors and stakeholders to co-create and collaborate for rich ideas that can turn into innovative solutions in solving the country's pressing challenges across the innovation priority areas.

In this regard, the NIC Secretariat has identified schools in Regions III, IV-A, V, and NCR to participate in the aforementioned event. The identified schools must fulfill the following criteria:

1. Innovation in Education - Schools that have implemented innovative teaching and learning methods, curriculum design, or have created new educational technologies that have had a positive impact on student learning outcomes.
2. Research and Development - Schools that have demonstrated a commitment to research and development and have produced innovative and impactful

research in areas such as STEM education, climate and disaster resilience, health and wellness, and social innovation.

3. Entrepreneurship - Schools that have promoted an entrepreneurial mindset among their students and have produced successful student-led startups or entrepreneurship programs that have contributed to the local economy and created jobs.
4. Community Engagement - Schools that have established partnerships with local communities and have implemented innovative programs that address social issues such as poverty, inequality, and/or climate and disaster resilience.
5. Technological Advancement - Schools that have embraced new technologies and have integrated them into their learning and teaching methods, administrative processes, and other areas of school operations.
6. Creativity and Arts - Schools that have demonstrated excellence in the creative arts, including music, dance, visual arts, and theater, and have used these mediums to promote innovation and social change.
7. International Collaboration - Schools that have established international partnerships and have engaged in cross-border collaborations that have contributed to the advancement of education, research, and innovation.

In view of the aforementioned, all selected schools are invited to participate in the event. **Participants are required to fill-up the confirmation slip attached, which must be submitted directly to the NIC Secretariat through email at innovationday@neda.gov.ph on or before April 18, 2023, 3:00PM.** An acknowledgment with the pre registration link will be sent once they receive the confirmation slip. The school representatives shall be composed of a maximum of two (2) student delegates that are of legal age and one (1) faculty delegate.

Please be guided that all interested participants are only allowed to attend the event on **official time**. However, the organizer will take care of the meals during the program proper.

For further inquiries and concerns, kindly communicate with the Planning Service - Policy Research and Development Division (PS-PRDD) through email at ps.prd@deped.gov.ph or telephone number at (02) 8635-3976. Likewise, please see attached files for further information.

For immediate compliance and appropriate action.
