SUBJECT : Office Performance Commitment and Review Form (OPCRF)
Series 2023 Template for Non-School-Based Offices

DATE : 15 May 2023

This has reference to DepEd Order No. 2, s. 2015 dated 06 February 2015, or the "Department of Education implements the Results-Based Performance Management System (RPMS) as an adoption to the Civil Service Commission's (CSC) Strategic Performance Management System (SPMS)". Since its inception in 2015, the RPMS serves as a mechanism for the Department to manage, monitor and measure performance, and identify human resource and organizational development needs. Moreover, the RPMS ensures that employees focus work efforts toward achieving the DepEd's vision, mission, values, and strategic priorities.

The RPMS Cycle for non-school-based offices and personnel covers the performance for one whole year following a four-stage cycle as prescribed by the CSC, to wit: 1) Performance planning and commitment (Phase I); 2) Performance monitoring and coaching (Phase II); 3) Performance review and evaluation (Phase III); and 4) Performance rewarding and development planning (Phase IV). As an output, the Office Performance Commitment and Review Form (OPCRF) is developed which reflects the office's KRAs, Objectives and Performance Indicators which will be monitored and evaluated at the end of the performance cycle.

For the past years, it has been observed that while offices and units are successfully achieving their set targets in their respective OPCRFS, performances do not necessarily reflect the budget utilization, i.e., even if OPCRFS attained Very Satisfactory or Outstanding ratings, budget utilization rates (BURs) remain low.

Furthermore, the Department launched the Basic Education Development Plan (BEDP) 2030 through DepEd Order No. 24, s.2022 as a medium-term plan which provides a strategic roadmap for the Department in formulating, implementing, coordinating, monitoring, evaluating, and supervising policies, programs, and projects

in the areas of formal and nonformal basic education. To support the BEDP 2030, the MATATAG Agenda was also launched on January 30, 2023, to set the new direction of the Department and its stakeholders in resolving basic education challenges.

In view of the foregoing, the 2023 OPCRF will be developed using a revised template (see Annex A). This is to ensure that the activities and programs that are being funded and implemented by the offices are directly aligned to the strategic plans of the leadership, to the objectives, and performance indicators being set in the OPCRFs. The **OPCRF Series 2023 Salient Features are the following:**

- 1) Alignment of Office KRAs, Objectives, and Programs to the BEDP 2030 and MATATAG Agenda
- 2) Alignment of budget to office objectives and programs
- 3) Standard objectives and performance indicators for KRAs on Office Administration and Performance Management (which covers the Client Satisfaction and Quality Management System) which will be adopted by all offices in their respective OPCRFs
- 4) Quarterly monitoring/scorecard of performance indicators

In this regard, all non-school-based offices and units are reminded to submit their final 2023 OPCRF **not later than May 31, 2023** which will be used for the PIR Session of 2nd Quarter CY 2023. The electronic copy of the template can be accessed through this link: <https://bit.ly/series2023DepEdOPCR>.

The final list of standard objectives and performance indicators for KRAs on Office Administration and Performance Management will be released in a separate issuance.
