Regional Director
Department of Education
National Capital Region

Dear Director Cabral,

Greetings!

On May 23 to 26, 2023, the Philippine Heart Association will hold its 53rd Annual Convention & Scientific Meeting at the Edsa Shangri-la Hotel in Mandaluyong City.

This major scientific gathering brings together specialists, subspecialists, hospitalists, generalists and paramedical professionals who share a common interest in the discipline of cardiovascular diseases.

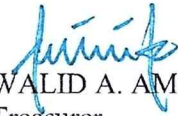

The theme for this year, "**Cardiology For All**," aims to achieve the following objectives:

- 1) get in touch with general practitioners, internists, and other medical specialists who are our partners in the management of patients with cardiovascular diseases in real-world practice; and
- 2) review and discuss updates in preventing and managing cardiovascular diseases and recommend strategies tailored to our local setting.

On behalf of the PHA Board of Directors, may we extend our invitation to the Department of Education and your medical personnel to attend this year's sessions in May. Convention delegates will undoubtedly benefit from the topics that will update their skills and knowledge to further ensure quality healthcare for Filipinos.

Truly yours,

RODNEY M. JIMENEZ, MD
