Dear Sir/ Madam:

Greetings in the name of transformative education!

Since 1994, the Center for Human Research and Development Foundation Inc. as a non-stock and non-profit organization collaborated to various community stakeholders in providing high quality and relevant learning and development programs. As the new year begins, we have designed year-long professional development programs for non-teaching personnel. We are well aware on the various steps carried out by the Department of Education to improve the education over the years. We are one in lauding and celebrating all these unwavering efforts and achievements.

As an authorized NEAP learning service provider and official partner of DepEd in professional training for teachers and school leaders, we would like to extend our programs for the non-teaching personnel. We develop the **LEARNING PATHWAYS FOR NON-TEACHING PERSONNEL TRAINING SERIES**. This will be a 5 batches of training and development programs designed for the office workers in educational settings. For an organization to be effective and be able to deliver its intended outcomes, its workforce needs to be skilled, competent and confident. Across all sectors, it means that they are subject to continual change, especially in the Volatile, Uncertain, Complex, and Ambiguous (VUCA) world that we are living. The pandemic is a real game changer. The non-teaching employees' competence requires enhancement and operate by being flexible, agile and continually evolving.
