Officer-In-Charge
Office of the Regional Director
National Capital Region
Misamis St, Bago Bantay, Quezon City

Dear Sir Cabral;

Your esteemed institution is recognized as high standard and known for your vision towards academic excellence. We have a dream to share with you in developing a child's education through social interaction and arts, thus, we welcome this opportunity to work with all the different schools around the Philippines.

First of all, we would like to introduce to you Mr. Noah of The Velasco Brothers, a professional, passionate, and dedicated acrobat and performing artists equipped with an innate skill to allow them to entertain the masses. They have been in this industry for 20 years, and had already performed in Thailand, Taiwan, Qatar, Dubai, Abu Dhabi, Malaysia, South Korea, Singapore, Japan, and Spain. They were crowned as 15 Runner Up on Pilipinas Got Talent (Season1). They are also one of the Finalists of the biggest franchised reality show, the Asia's Got Talent.

We have a Juggling Project (Workshop) entitled as "GUINNESS WORLD RECORDS-THE LARGEST SIMULTANEOUS 3 BALL JUGGLING" to be held in March 2024. We believe that this event will GIVE HONOR not only to our Region but also to the whole nation of the Philippines. We will have the chance to be acknowledged and recognized worldwide. After the workshop, students will be treated to an amazing live performance by the Team, which we are very excited about!

In this regard, we would like to ask from your prestigious institution the permission, for us to conduct the said training and workshop. We will showcase our performance with entertainment and its academic benefits to the students, and we will promote EDU-TAINMENT through performances with a pinch of dance, magic, and fun filled amazing acts.

We assure you that the kind of art we offer is unique to each child's accumulation of knowledge, apart from the four corners of his/her classroom. They have a unique opportunity to participate in a one-day workshop during which they will learn the basic and fundamental skills of juggling.

The great news is that the students can participate in the juggling workshop, learn the unique art of juggling, and participate in the Guinness World Record and they will get a set of juggling ball for free! (This will be theirs to keep).

If you have a standard confidentiality agreement that you wish us to use in conjunction with this proposal, please send it to us promptly for our review.

Thank you for this opportunity and we are awaiting positive response from you.

Sincerely yours,
