13 June 2023

Director Wilfredo E. Cabral, CESO III
Regional Director
Department of Education
Misamis Street, Bago Bantay,
Quezon City

Dear Dir. Cabral,

Greetings from Our Lady of Lourdes Hospital, a proud member of Metro Pacific Health!

I hope this letter finds you in good health and in high spirits. I'm reaching out today with a speaking opportunity for your consideration. I am honored to invite you to open our first BRAINIAC: Clash of the Sci-Tech Champ challenge (Brainiac) for high school learners in the National Capital Region.

The event is set to take place at UP Ang Bahay ng Alumni, Diliman, Quezon City, on June 17, 2023. We are currently anticipating an audience of about 350-400 students, coaches, parents, and the organizing body. We aim to increase our learners' interest in Science, Mathematics, and Research. It is an invitation to learners to explore Science and Technology and pursue their aspirations, a challenge to mentors and education providers to champion education and be active participants in building a more stable healthcare system, and finally, support to our government's call to action in building the capacities and capabilities of learners through various modalities.

Further, we ask for Ms. Micah Pacheco (EPS-Science), Ms. Bernadeth C. Daran (EPS-Mathematics) and other educators' particularly, sixteen (16) educators coming from different SDO to assistance in managing the competition.

Please let us know by June 15, 2023, whether you may be able to join us or you may appoint your representative. Thank you for your time and consideration, and we very much look forward to hearing from you. Thank you.

Yours,

Gianna Carla B. Seki
Business Development Manager
