Dear **Director Cabral**:

One of the components of the Tara, Basa! Tutoring Program, is capacity building of College Students who will be deployed as Learning Facilitator to teach Grade 1 who were assessed as non or struggling readers.

Hence, as agreed during our meeting on 5 July 2023 at DepEd Central Office, may we invite subject matter experts (SMEs) from your Office to discuss the Comprehensive Rapid Literacy Assessment (CRLA) Tool during the one-day Capacity Building Activities for College Students which will start from **1 to 11 August 2023**. The concerned staff may refer to the attached schedule and venue of the activity.

Please be informed that the one-day training has two parts, the morning session will be handled by Ateneo Center for Educational Development (ACED) and they will present the Guide for Learning Facilitators. The second part or the whole afternoon session is allotted for the discussion on CRLA Tool. Kindly note that DSWD will prepare the invitations, venue, materials, and food for the aforesaid trainings.

Prior to the said series of trainings, we would also like to invite a Resource Person from your office to orient the members of DSWD TWG Tara, Basa on how to administer the CRLA, by the last week of July 2023 at STB Conference Room.

Thank you for the usual support.

Very truly yours,

MARCELO NICOMEDES J. CASTILLO, CESO III
