WILFREDO E. CABRAL, CESO III
Regional Director
Department of Education-National Capital Region
6 Misamis St, Bago Bantay, Quezon City

THROUGH: CONNIE P. GEPANAYAO, MD, FPPS
Regional Medical Officer, DepEd NCR

Dear **Dir. Cabral**,

Universal Health Care is a comprehensive approach to provide health care services to all individuals within the region. This is coordinated with multisectoral action plan strategy that involves multiple sectors and stakeholders to achieve specific goals and outcomes. In Implementation of a universal health care, a multisectoral action plan is addressing the complex challenges associated with healthcare delivery, financing and access to focus in strengthening primary healthcare system. Relative to this, a Regional Council on Health Affairs typically refers to a governing body or organization that oversees health related matters in a specific region or locality. These councils are often established by governments or healthcare authorities to coordinate and manage healthcare services, policies, and programs at the regional level. The responsibilities and function of Regional Council on health affairs focus on planning and coordination, quality assurance, public health initiatives, health promotion and education, emergency preparedness and response and collaboration and partnership.

With this, the Department of Health-Metro Manila Center for Health Development (DOH-MMCHD) will establish and conduct an assembly on July 31, 2023 at Manila Grand Opera Hotel, Sta. Cruz Manila. The activity aims to set direction, prioritize intervention for multi-diseases (focuses on Infectious Diseases) to discuss issues and concerns regarding service delivery and other program implementation. Relative to this, we would like to request your good office to assign one (1) Representative and one (1) Permanent alternate representative to be a member of the said group.

Kindly confirm the attendance of the participants on or before July 20, 2023. For further inquiries and/or clarifications, please contact Ms. Mina Morante at telephone no. 8531-0037 loc. 107 or email at IDPCC@ncro.gov.ph

Thank you.

Sincerely,

ALELI ANNIE GRACE P. SUDIACAL, MD, MPH, CESE
Director IV
