AMSLI LEARNERS' TRAINING

The Asian MathSci League Inc. (AMSLI), a nonstock and nonprofit organization that aims to enhance the skills of Filipino teachers and students in Mathematics, Science and Informatics, is inviting learners from Grades 2 to 12 to participate on the following training programs:

1. AMSLI's Mathematics Enrichment Program (AMEP)
The ten 3-hour sessions will develop critical thinking and problem-solving skills of learners.
2. AMSLI's Science Enrichment Program (ASEP)
The ten 3-hour sessions will provide more exploration challenges and relevant learning opportunities to develop critical thinking skills of learners.
3. AMSLI's Informatics Enrichment Program (AIEP)
This training promotes problem-solving skills and Informatics concepts including the ability to breakdown complex tasks into simpler components, algorithm design, pattern recognition, pattern generalization, and abstraction. There are 4 classes:
 - a. Computational Thinking 1 and Scratch 1 (Elem AIEP Beginners)
 - b. Computational Thinking 2 and Scratch 2 (Elem AIEP Advanced)
 - c. Computational Thinking 3 and Python 1 (HS AIEP Beginners)
 - d. Computational Thinking 4 and Python 2 (HS AIEP Advanced)

To gauge whether prospective training would be able to tackle the challenging tasks in AMSLI's training, a qualifying examination for each subject will be administered on September 16, 2023. A minimal amount of Php50.00 shall cover the administration and cost of materials.

A registration fee of Php3,800.00 will be charged to every trainee should they qualify in the training that they will attend. Training sessions shall be on October 6, 13, 20, 27, November 3, 10, 17, 24, December 1 and 8. The fee shall cover sessions materials and participants will have free registration to some AMSLI-affiliated international competitions. Participation in these trainings shall be purely voluntary and should not hamper instructional time in school.
