PROGRAM SUPPORT FUNDS TO FIELD OFFICES ON
DISASTER PREPAREDNESS AND RESPONSE PROGRAM
Frequently Asks Questions

1. What is Disaster Preparedness and Response Program?

The Department of Education-Disaster Prepared and Response Program (DPRP) funds under the General Appropriations Act (GAA) is used for preparedness, prevention and mitigation and response, rehabilitation and recovery programs for the public education sector.

2. Why there is a 2B additional funds for DPRP?

The 2023 National Expenditure Program Allocates PhP 129,453,000.00 for DPRP funds is insufficient.

Majority of the DPRP funds are used to implement response and early recovery programs, particularly the construction of Temporary Learning Spaces (TLS), Clean-up and minor repairs, provision of learners' and teachers' kits, and hygiene kits. Faced with budgetary constraints, addressing infrastructure damage through TLS construction is prioritized over other forms of assistance such as teachers' and learners' kits. Given this, additional funds is needed to cover the replacement of damaged items.

As such, the Department of Education requests additional funds to fully fund regular programs, projects, and activities on preparedness, prevention and mitigation, and response, rehabilitation and recovery.

The proposal supports DepEd's continuing commitment to provide a conducive teaching and learning environment for teachers and learners.

3. What are the component of Disaster Preparedness?

The component of Disaster Preparedness are:

- a. Implementation of Disaster Risk Reduction and Management (DRRM) Programs, Projects and Activities (PPAs)
- b. Contingency Plan
- c. Public Service Continuity Plan
- d. Procurement of Emergency Supplies and Equipment

This component supports the implementation of Disaster Preparedness-related PPAs that the field offices identified and reflected in the approved Expenditure Matrix and Work and Financial Plan.

4. What are the component of Disaster Response?

The component of Disaster Response are:

- a. Provision of Funds for Temporary Learning Spaces
- b. Provision of Funds for Clean-up and Minor Repair
- c. Provision of Funds Response Mobilization
- d. Provision of Funds for Temporary WASH Facility
- e. Provision of Funds for Psychological First Aid

The Regional allocation for the Disaster Response shall serve as the Regional Standby Funds and shall only be provided to the SDOs during the declaration of State of Calamity, or State of Emergency by the Local Government Units (LGUs) or National Government, or other disaster-related declaration (whether naturally occurring or human-induced) that are deemed necessary. On the other hand, when there is no State of Calamity or State of Emergency, and there is a need to use the standby fund, there should be an authority to request the utilization of the fund.

5. What are the basis of computation for Regional Allocation?

The main consideration in coming up to the Regional allocation is the Frequency of hazards and/or emergencies that the regions, divisions and schools experienced in the last 10 years based on the data captured at the enhanced Basic Education Information System (BEIS) and the rate of DPRP Utilization downloaded to regions in the previous years

6. What is the manner of Reporting?

To monitor the progress of the implementation of the Disaster Preparedness-related PPAs and Response Interventions, implementing units are required to submit a monthly report to the DRRMS at drmmo@deped.gov.ph on or before the end of the month. These reports should include information on the accomplishments, obligations, liquidation status, and photo documentation of the utilization of the DPRP.

7. Is there a possibility to realign the fund allocation to other purposes?

The approved **Two Billion Pesos** (Php 2,000,000,000.00) of the FY 2023 Disaster Preparedness and Response Program funds will be used for the implementation of Disaster Preparedness-related PPAs and Response Interventions for field offices.

The realignment of funds shall be allowed provided that it will not defeat its purpose, concerned division offices may request the realignment of funds addressed to the Undersecretary for Finance and Undersecretary for Operations through the Office of the Director IV, Disaster Risk Reduction and Management Service.

To request the realignment, the following document should be submitted:

- a. A written narrative stating the reason for realignment signed by the concerned Schools Division Superintendent.
- b. A written documentation from the original school signed by the School Head stating the reason for the realignment of funds.
- c. The request for realignment of funds and change of recipient school/s must be submitted to the DRRMS for review and endorsement to the Office of the Director IV, Finance Service for further review and approval of the Undersecretaries for Finance and Operations

It is important to note that these funds should not be used for any Climate Change Adaptation and Mitigation (CCAM) and other PPAs unless otherwise indicated in a supplemental memorandum aligned with this Implementing Guidelines

8. What will happen to the downloaded fund to regions if this will not be utilized in a given time?

The FY 2023 DPRP funds appropriations will remain valid until December 31, 2024.

In cases where no disaster occurs in the Regions toward the end of 4th quarter of the current Fiscal Year, the DepEd Central Office may withdraw the standby fund and download it to the Regional Offices that need it most
