SUBJECT : **Request for Assistance to the 2023 ALCoB ICT Volunteer (AIV)
Training on August 14-18, 2023, in Davao City**

DATE : August 03, 2023

Background

This is in reference to the AIV Training to be held this August 14-18, 2023, in Davao, City.

The AIV, formerly named ALCoB Internet Volunteer, is an official Asia-Pacific Economic Cooperation (APEC) project through the Institute of APEC Collaborative Education (IACE). It contributes to narrowing the digital divide in the APEC region by sharing Korea's experience and know-how on ICT and e-Learning education which is an important avenue for the Philippines to improve on the use and integration of technology.

Ever since its launching in 2001, AIV has been contributing to narrowing the digital divide in the region for the past 20 years in close cooperation with member economies by providing teachers in the region with opportunities of exchanging best practices in utilizing ICT in education.

Under the theme of '***Innovating Teachers in the APEC Region by Enhancing Digital and Cultural Competencies***', the 2023 AIV Workshop aims to enhance digital literacy and understanding of different cultures through interactions among teachers in the APEC region.
