MESSAGE

My warmest greetings and congratulations to the completers and graduates of the School Year 2019-2020!

Today marks a momentous occasion in your life, it is a day to prove the burning flame of your desire to succeed in life and make a difference in this world.

Allow me to share with your happiness and excitement as you begin the next journey that is more challenging and laborious. Do not falter in pursuing your dreams, continue aiming at reaching your fullest potential.

The skills you have acquired from the K to 12 program has prepared and transformed you into individuals ready to accept and perform greater responsibilities and face new opportunities and challenges.

My gratitude is also extended to the school Officials, teachers and parents who have done their part in nurturing our learners' education.

This year's theme *Sulong Edukalidad: Championing the Nation's Future* highlights the essential rate of quality education in helping Filipino learners achieve their full potential toward the fulfillment of their dreams.

Again, congratulations to all. Let us altogether invest in our most important resource - - the future Filipino leaders and builders of our country.

Sama-sama tayo sa pag Sulong ng EduKalidad!
