SUBJECT: REQUEST FOR AN ADVISORY FROM DEPED-NCR

Dear **Dr. Cabral**:

Greetings!

It is with great pleasure that the undersigned, on behalf of the International Association of Research Scholars and Educators, Inc., write to request the esteemed DepEd-NCR advisory of the **1st Asia Multidisciplinary Research Conference 2023 (AMRC2023)**, scheduled to be held via Zoom on December 3, 2023.

The conference with the theme "**Advancing Knowledge and Embracing Research Collaboration: Exploring Multidisciplinary Pathways for Asia's Future**," aims to bring together scholars, educators, researchers, and practitioners from various disciplines to facilitate a dynamic exchange of ideas and knowledge. This platform will foster an environment conducive to exploring multidisciplinary approaches that contribute to the shaping of Asia's future through research collaboration.

We believe that this conference aligns harmoniously with the Department of Education's mission to elevate the standards of basic education and promote research initiatives that contribute to the growth and development of the nation.

The conference will feature distinguished keynote speakers, interactive panel discussions, paper presentations, and networking opportunities, all of which will enrich the academic and research landscape in Asia. Moreover, the virtual format via Zoom ensures accessibility and inclusivity for participants from various corners of the continent.

In light of the significance of this conference, we kindly request DepEd-NCR's advisory, which would greatly contribute to the success and credibility of the event. Your advisory will be acknowledged in all conference materials and promotional activities, underscoring the commitment of the Regional Office to fostering research excellence.

We are more than willing to provide any additional information you might require regarding the conference or its objectives. We are also open to any suggestions or recommendations you might have in regard to the event's alignment with the DepEd's initiatives.
