Regional Director
National Capital Region
Department of Education
Misamis St.

Through: Ms. Bernadette Daran
Education Program Supervisor

Dear Director Cabral:

I hope you and your family are well and safe.

Thank you for always supporting MTAP Programs and Projects.

Last School Year, we had the POEM- MTAP Saturday Program. Thank you for a big number of attendees from the National Capital Region.

For school year 2023-2024, we will not have again the annual MMC-Math Challenge. Despite having no competitions, MTAP intends to continue its support to DepEd's campaign in uplifting the quality of Math Education and in addressing the learning gaps among our learners through our Program of Excellence in Mathematics (POEM). This year we will have our POEM- MTAP Saturday Program face to face.

Attached is the DepEd Advisory for the said activity. The program will start on October 7, 2023. We are again hoping for your support through an advisory for the region.

Thank you and More Blessings!

Very truly yours,

FLORDELITA G. MALE
MTAP President
