September 15, 2023

SUBJECT: Request for DepEd Advisory on the Conduct of the INTERNATIONAL RESEARCH COLLOQUIUM AND RESEARCH BULLETIN (IRCARB)

**Dr. Wilfredo E. Cabral
Regional Director,
DepEd National Capital Region**

Dear Dr. Cabral:

Warm greetings from the Aloysian Professional Community!

We are writing to formally request the issuance of a DepEd Advisory to facilitate the dissemination of information regarding the forthcoming **International Research Colloquium and Research Bulletin (IRCARB)** with the theme, **"Innovation and Sustainability: Bridging the Gaps Through Interdisciplinary Research"**.

This research exposition and publication serve as a catalyst for researchers hailing from diverse fields to converge and explore innovative solutions, thus addressing pressing global challenges while championing sustainability. It extends a broad canvas of research topics, promoting interdisciplinary collaboration among scholars.

Organized by Aloysian Publications (Philippines) in collaboration with BETMA English (Vietnam), this noteworthy event is scheduled for October 20-22, 2023, encompassing both Saturday and Sunday. The venue is the Biology Auditorium of UP BIOLOGY Institute of Biology, College of Science, University of the Philippines Diliman, Diliman Quezon City. We extend the invitation to all advocates of the Aloysian Professional Community, both members and non-members alike.

Rationale:

The rationale for hosting a Research Colloquium and Research Bulletin with the theme "Innovation and Sustainability: Bridging the Gaps Through Interdisciplinary Research" is rooted in the urgent need to address complex global challenges. These challenges, which encompass environmental, social, economic, and technological issues, require innovative and sustainable solutions that transcend disciplinary boundaries. Here's why this event and bulletin are essential:

- 1. Complexity of Global Issues:** Modern global issues, such as climate change, resource depletion, inequality, and health crises, are multifaceted and interconnected. Traditional, single-discipline approaches often fall short of providing holistic solutions.
- 2. Interdisciplinary Collaboration:** Interdisciplinary research encourages collaboration among experts from diverse fields, fostering a synergy that leads to more comprehensive and effective problem-solving.
- 3. Innovation and Sustainability:** The fusion of innovation and sustainability is crucial for addressing contemporary challenges. Innovation drives the development of new technologies and methodologies, while sustainability ensures that solutions are viable in the long term.
- 4. Knowledge Integration:** By bringing together researchers from various disciplines, we can integrate knowledge, theories, and methodologies to develop a deeper understanding of complex issues.

5. Knowledge Dissemination: The research bulletin complements the colloquium by providing a platform for researchers to share their findings, promoting the dissemination of innovative and sustainable ideas to a broader audience.

Objectives:

The Free Research Colloquium and Research Bulletin with the theme "Innovation and Sustainability: Bridging the Gaps Through Interdisciplinary Research" aim to achieve the following objectives:

- 1. Facilitate Interdisciplinary Exchange:** Encourage researchers from diverse fields, including natural sciences, social sciences, engineering, humanities, and business, to exchange ideas and collaborate on innovative, cross-disciplinary projects.
- 2. Promote Innovative Solutions:** Provide a platform for the presentation and discussion of research that highlights innovative approaches to global challenges, particularly those related to sustainability.
- 3. Foster Sustainable Practices:** Showcase research that not only addresses immediate issues but also emphasizes the long-term sustainability of proposed solutions, taking into account environmental, economic, and societal impacts.
- 4. Encourage Knowledge Sharing:** Through the research bulletin, enable researchers to disseminate their findings to a wider audience, including policymakers, educators, and the general public, fostering a greater understanding of the importance of interdisciplinary research in addressing pressing global issues.
- 5. Inspire Future Collaborations:** Create an environment that sparks new collaborations and partnerships among researchers, institutions, and organizations interested in tackling complex global challenges.
- 6. Advance Academic Discourse:** Contribute to the academic discourse by fostering a culture of knowledge sharing and critical analysis, ultimately enhancing the quality of research in the fields of innovation and sustainability.

By organizing this research colloquium and research bulletin, we aim to harness the collective intelligence and creativity of the research community to make significant strides in addressing the world's most pressing challenges while promoting sustainable and innovative practices.

Tentative Program of Activities:

Day 0: October 20, 2023 (Friday)

8:00 a.m. - 10:00 a.m. - Arrival of Participants
10:00 a.m. - 12:00 p.m. - Registration
2:00 p.m. - 4:00 p.m. - Setting up of Research Poster
4:00 p.m. - 5:00 p.m. - Technical Working Group (TWG) Meeting

Day 1: October 21 (Saturday)

8:00 a.m. - 9:00 a.m. - Opening Program
9:00 a.m. - Tea Break
9:00 a.m. - 10:00 a.m. - Opening of Research Poster Exhibit
10:00 p.m. - 12:00 p.m. - Breakaway Sessions
12:00 p.m. - LUNCH
1:00-5:00 p.m. - Resume of Breakaway Sessions
3:00 p.m. - Tea Break

Day 2: October 22 (Sunday)

8:00 a.m. – 12:00 Resume of Breakaway Sessions
9:00 a.m. Tea Break
12:00 p.m. Lunch
1:00 -4:00 p.m. – Resume of Breakaway Sessions
4:00-5:00 p.m.- Awarding and Closing Program

To ensure the success of this international undertaking, we kindly request the issuance of a DepEd Advisory to inform and encourage our educators, school administrators, and other stakeholders to actively participate in this international event. By disseminating information about the conference, we aim to reach a wider audience and maximize the opportunities for professional growth and networking.

Individuals interested in obtaining more information about the conference are encouraged to connect with us through the following communication channels:

Contact us via mobile at (0921) 579 4211.
Reach out via email at john_xryz@yahoo.com.
Send us a message on Facebook Messenger by contacting Doc Cris Avila.

We express our gratitude in advance for your kind consideration and support. Your continued assistance is greatly appreciated, and we look forward to your positive response. Together, let us create a more globally connected and informed educational community.

Very respectfully yours,

CRISANTO E. AVILA, EdD
