**AUDIO-VISUAL PRESENTATION (AVP) MAKING CONTEST**

The Department of Environment and Natural Resources – NCR through the Manila Bay Site Coordinating/Management Office (MBSCMO) will hold an AVP making contest as part of their educational outreach initiatives during the celebration of Manila Bay Day in December 2023.

It aims to encourage students to participate in activities related to environmental awareness and conservation, particularly the Manila Bay Rehabilitation Project.

The target participants are Senior High School students from private and public schools.

**WILFREDO E. CABRAL**

*Regional Director*

Department of Education – National Capital Region  
Misamis St., Bago Bantay, Quezon City

Dear **RD CABRAL**:

*Isang Makakalikasang Araw!*

The Department of Environment and Natural Resources – National Capital Region, through the Manila Bay Site Coordinating/Management Office (MBSCMO), wishes to formally inform your office, as one of the agencies party to the Supreme Court Mandamus to cleanup, rehabilitate, and restore waters of the Manila Bay, of an upcoming Audio-Visual Presentation (AVP) Making Contest as part of our educational outreach initiatives in line with the celebration of the Manila Bay Day in December.

The AVP Making Contest aims to encourage students to participate in activities related to environmental awareness and conservation, particularly the Manila Bay Rehabilitation Project. The initiative seeks to showcase creative interpretations of the effects of activities related to the Manila Bay. Moreover, this office wishes to bring forward the current state of Manila Bay through the lens of the younger generation. The students' outputs will also serve as informational material for initiating public awareness of the essence of the Manila Bay Rehabilitation and the current status of Manila Bay as an important marine ecosystem.

The target participants are Senior High School students, and with that, we would like to request assistance in mobilizing the Schools Division Offices (SDOs) to provide participant groups from different schools. Each SDOs are encouraged to send at least one (1) school/group to participate in this activity.

Official contest mechanics will be forwarded to your office as soon as it has been approved by the head of agency for implementation and will also be posted via the [DENR National Capital Region](#) Facebook page. MBSCMOs Advocacy Unit will coordinate with your office regarding the above. For inquiries and further information, you could contact him/her/them at phone numbers 0905-254-6065 & 0919-005-9195 and/or email address [denrncrndcmahusay@gmail.com](mailto:denrncrndcmahusay@gmail.com) & [denrncrseencina@gmail.com](mailto:denrncrseencina@gmail.com) respectively.

Thank you for your continued support. We look forward to your most prompt response!

Very truly yours,

**ATTY. MICHAEL DRAKE P. MATIAS**  
The Regional Director, EMB-NCR and  
OIC, Office of the Regional Director,  
DENR-NCR in Concurrent Capacity
