**CONDUCT OF META-EVALUATION AND PILOT IMPLEMENTATION OF THE LCRP PORTAL**

As part of our commitment to conducting comprehensive evaluations, this Office through the Curriculum and Learning Management Division (CLMD) have developed the Meta-Evaluation Guidelines to ensure the consistent and systematic application of meta-evaluation in our work.

Meta-evaluation, also known as evaluation of evaluations, involves the review and synthesis of existing evaluation to assess their quality, relevance, and effectiveness. By utilizing meta-evaluation, we can enhance the validity of our evaluations, as well as gain valuable insights into the overall impact and outcomes of programs, policies, or interventions. A copy of the Metaevaluation guidelines may be accessed at the LCRP portal, for reference.

The metaevaluation tools can be accessed via the LCRP portal at <https://sites.google.com/view/ncr-lcrp-portal/home>. The portal shall serve as the repository of all the data and tools on LCRP. SDOs through their LCRP focal person shall have access to their own account via the LCRP portal and can view all data pertaining to their division. Attached is a copy of the LCRP portal users guide, for reference.

Consequently, the CLMD supervisors will conduct a metaevaluation in their assigned SDOs, please see attached monitoring assignments and date of monitoring, for reference.

Additionally, before the conduct of the metaevaluation, SDOs Marikina and Pasig will participate in the test run of the metaevaluation process.
