THROUGH: CONNIE P. GEPANAYAO, MD, FPPS
Regional Medical Officer, DepEd NCR

Dear **Dir. Cabral**,

Neglected Tropical Diseases are a diverse group of communicable diseases that prevail in tropical and subtropical countries. The Department of Health - Metro Manila Center for Health Development (DOH-MMCHD) oversees the implementation of the Neglected Tropical Diseases (NTD) programs in different LGUs and Hospitals in the National Capital Region (NCR) including the National Leprosy Control Program (NLCP), Food and Waterborne Disease Prevention and Control Program (FWBDPCP) and Integrated Helminthiasis Control Program (IHCP). Sustained and strengthened pragmatic response towards these eliminated diseases are required to maintain targets and/or advance the interruption of disease transmission. Through this, continuous quality service delivery is to be delivered by the health workforce through different strategies and activities intended for the health program goals. Accordingly, the implementation of the different health programs will be analyzed and reviewed.

With this, the Department of Health – Metro Manila Center for Health Development (DOH- MMCHD) will conduct the Neglected Tropical Diseases (NTD) Year-end Implementation Review on October 11-13, 2023 at Hotel Casiana Tagaytay. This activity aims to discuss the current program accomplishments, review program management activities, capture learning points from different implementers, discuss issues and concerns. Relative to this, we would like to invite Dr. Connie P. Gepanayao and the IHCP Coordinators of the 16 School Divisions of DepEd-NCR to attend the said activity.

Kindly confirm attendance of participants on or before September 25, 2023. Transportation and other incidental expenses will be shouldered by the sending agency. For any other inquiries, you may contact Ms. Angielyn M. Balili, Nurse III at tel. nos. 8531-0037 loc 107 or at mobile no. 09982625406 or email at ldpcc@ncro.doh.gov.ph

Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Aleli', is written over the printed name.

ALELI ANNIE GRACE P. SUDIACAL, MD, MPH, CESE
Director IV
