Dear **Regional Director Cabral**:

Since June 1, 1987, the Human Resource Relations Office (HRRO) of the Civil Service Commission (CSC) has taken the lead in promoting the exercise of government employees' right to self-organization and harnessing public sector employees' organizations towards effective service delivery. Included in its responsibilities is providing information and assistance among government employees as they exercise their right to self-organization.

Thus, the HRRO will conduct a free online symposium on November 7, 2023 from 8:00 am to 12:00 NN via the Zoom platform. Target participants heads of agencies, human resource managers, and rank-and-file employees of LGUs with no registered employees' organizations as well as employees of the Department of Education. This four-hour foundational course shall enable participants to understand important information on the exercise of the right to self-organization. It will be conducted through a blended learning approach, combining lectures and facilitated group discussion to present, discuss and clarify important, timely and relevant information related to the exercise of the right to self-organization.

In this light, we would like to invite you, your Assistant Regional Director and the Schools Division Superintendents to attend the Symposium. Kindly register through this link: <https://forms.gle/NhsQszo7yxTdKdx26> on or before October 25, 2023.
