SUBJECT : Invitation for the Environmental and Social Assessment (ESA) and Management Workshop

Dear Undersecretary Densing III,

This is in reference to the Philippines Seismic Risk Reduction and Resilience Project (PSRRRP) financed under IBRD Loan No. 9251-PH. It is our shared interest to maintain strong coordination between our respective departments in the pursuit of the objectives of the project. In line with this, a joint Environmental and Social Assessment (ESA) will be conducted for eligible public-school buildings for retrofitting located within the National Capital Region (NCR).

The Environmental and Social Assessment and Management Workshop will be held on **November 21-22, 2023 (Tuesday-Wednesday), 9:00 AM at the World Bank, One Global Place, 25th St., Taguig City**. The purpose of this workshop is to address critical environmental and social considerations in assessing the public-school buildings for retrofitting. By conducting this assessment, we aim to foster sustainable practices and promote social responsibility throughout the project implementation.

We would greatly appreciate the participation of representatives from your department particularly the Division Engineers of each DepEd-NCR Superintendent Division Offices and Central Office in this important workshop. Additionally, we request assistance in coordinating with the schools that will be visited during the workshop namely:

- Rizal Experimental Station and Pilot School of Cottage Industries (RESPSCI)
Administration Building, Jenny's Ave. Pasig City
- Sta. Lucia Highschool, Marisol Subdivision, Brgy. Santolan, Pasig City

Attached is the program for your information and reference (Annex 1). Further inquiries may be coordinated with Engr. Ma. Elaizzah Feliz T. Perucho, Technical Staff, through email maelaizzah@dpwh.gov.ph, phone number 09279170425 (viber) or thru direct line: 4304-3962.

Thank you for your kind consideration and support to the PSRRRP. We look forward to this collaboration with your department in this Environmental and Social Assessment Workshop.

Very truly yours,

EMIL K. SADAIN, CESO I
Senior Undersecretary
