Subject: Invitation to Attend the 115th Philippine Dental Association Annual Convention

Dear Dr. Andaya

Greetings!

The Philippine Dental Association Inc. (PDA) will be having its 115th Annual Convention & Scientific Sessions on May 13-17, 2024, which will be held at the SMX Convention Center, Seashell Lane, Mall of Asia Complex, Pasay City.

The PDA Annual Convention is a premier gathering of professionals, experts, leaders, and traders in the dental industry. The 115th PDA Convention will focus on the theme “**Strength in Unity.**” It aims to foster collaboration, share knowledge, and explore new avenues of growth and innovations in dentistry. There will be an impressive array of local and international speakers addressing the latest trends and challenges in the dental profession.

The scientific sessions will offer evidence-based lectures, clinical and non-clinical demonstrations, and research presentations. The Convention will also serve as a platform for us to be formidable participants in improving healthcare in the Philippines as there will be a PDA Election and House of Delegates Session to address compelling issues that directly affect our profession and the communities we can serve.

In line with this, we are inviting the dentist/s from your office, namely:

DepEd NCR School Dentists

to attend the 115th PDA Annual Convention on “**Official Business**” so they can participate and experience the said convention fully. This event will earn credit units for Continuing Professional Development (CPD) requirements as stated in RA 9484, in the Dental Law of the Philippines, and also in compliance with the Dental Code of Ethics.
