Dear Atty. Poa:

Greetings of peace!

The UPLB Statistical Society (UPLB STATS) is a duly recognized academic organization at the University of the Philippines Los Baños. Since 1980, the organization has devoted itself to its goals of advancing and promoting the proper application of Statistics in all fields of learning endeavors. In recognition of its outstanding efforts and dedication to the conduct of various statistical advocacy activities for the youth, UPLB STATS was recently recognized in the 34th National Statistics Month Awards as the Best Youth Advocate for Statistics.

One of the many statistical advocacy activities conducted by UPLB STATS is **ESTADISTIKA**, an annual invitational statistics quiz, essay writing, and poster making contests participated by high school students. Despite the challenges posed by the pandemic during the last three years, **ESTADISTIKA** has thrived hosting a special online edition featuring essay writing and video-making contests for high school and college students nationwide. This year, **ESTADISTIKA** returns to a face-to-face format with the same aim of instilling the significance of statistics among high school students, introducing proper application of statistics in various disciplines, stimulating interest in statistics, and promoting intellectual growth among its participants.

In its 18th year, high schools from Region IV-A (CALABARZON) and the National Capital Region (NCR) are invited to participate in **ESTADISTIKA 2024**. With the theme, "*Data-Powered Dreams: Fueling the Philippine Education System with Statistics*," **ESTADISTIKA 2024** will be held at the University of the Philippines Los Baños on 20 April 2024 (Saturday) from 8:00 AM - 6:00 PM. The registration period will run from 20 February 2024 until 22 March 2024.
