Dear Director Andaya,

GEMZPHILMARTS EVENTS ORGANIZING formerly known as "PhilmArts Studio" is delighted to present our educational digital theater play productions designed for all learners. We are thrilled to offer a series of educational and values-oriented stage plays to both public and private schools.

Our educational digital stage plays provide students with exposure to new and advanced cultural experiences. Additionally, our initiatives aim to guide students away from engaging in harmful vices.

We also conduct workshops to enhance students' confidence in acting, singing, dancing, and modeling. We strongly believe that these workshops will not only improve their artistic abilities but also play a crucial role in their overall personal growth.

We are sure that our stage plays and workshops will offer students valuable insights that go beyond traditional classroom learning. We welcome you to join us in this journey of comprehensive learning experiences.

We humbly would like to request for an **advisory** for our stage play presentations so as schools can avail and be informed regarding our invitation.
