MEMORANDUM

ICTS-OD-MM-2023-0023

FOR : ENGR. ANNABELLE R. PANGAN
Chief, Education Facilities Division

FROM : FERDINAND B. PITAGAN, PhD
Director
Information and Communications Technology Service

SUBJECT : RECOMMENDATION TO USE DEPED EDUCATION
FACILITIES SECTION PROGRAM SUPPORT FUND TO
PURCHASE THE ICT EQUIPMENT REQUIRED FOR
THE CREATION OF INFORMATION MATERIALS.

DATE : NOVEMBER 6, 2023

This is with reference to the letter of Carlito D. Rocafort, Regional Director of SOCCSKSARGEN Region, through the Education Facilities Division, requesting approval to allow the usage of the DepEd Education Facilities Section Program Support Fund to purchase necessary ICT equipment (a smart phone, laptop, and printer) to be used for the implementation of the School Building Program for the creation of information materials and other multimedia materials related to the implementation of the Basic Education Facilities Fund in various regional and division offices of DepEd.

The Information and Communications Technology Service - Technology Infrastructure Division recommends the use of DepEd Education Facilities Section Program Support Fund to purchase the ICT equipment required for the creation of information materials. Given that this will be subject to competitive bidding, all specifications have been reviewed and validated to ensure that they are current and available in the Philippine market; additionally, the specifications should be revised to be more generic and avoid including brand names. This change will allow other companies to participate, enabling a truly competitive process in compliance with the principles of fair bidding standards.
