SUBJECT : Addendum on the Invitation to Participate in the Design Thinking Exercise for the Development of PlanSmart for Safe Schools Project with World Bank and DOST-PHIVOLCS

DATE : 04 April 2024

This is in relation to DRRMS Memorandum No. 04-01-2024-0002 dated 01 April 2024. the DRRMS, in partnership with the World Bank and the Department of Science and Technology – Philippine Institute of Volcanology and Seismology (DOST-PHIVOLCS), will be conducting a **Design Thinking Exercise on April 15-16, 2024 at Timberland Heights, San Mateo, Rizal**. The workshop is one of the hallmark activities of the PlanSmart project which aims to develop the technical and interface requirements of the web app to ensure the efficient and effective navigation of the platform aligned with the project's objectives.

PlanSmart for Safe School is a web-based platform and highly innovative browser-based tool designed to enhance the resilience of schools from the impacts of disasters and emergencies, including climate change. It is designed to generate school hazard exposure data and provide evidence-based analysis that can be utilized for planning and programming on risk-informed school infrastructure and school-based emergency preparedness and response plans.

In view of this, the Office hereby invites participants to attend the said activity. Due to limited slots given, priority participants are those who attended Focused Group Discussions (FGDs) and Workshop on the Development of the DepEd Contingency Plan Guidebook for schools from National Capital Region, Region III, IV-A, and VIII. For the detailed requested attendees, please see Annex A, as attached.

Travel and/or other incidental expenses of the participants shall be charged against the DPRP Funds and/or local funds, subject to the existing accounting and auditing rules and regulations.

For confirmation of attendance and other concerns, you may contact our technical staff, Mr. Christian Carl A. Borcegue through email at drmo@deped.gov.ph or mobile number 0916-249-2727.

For information and appropriate action.

Annex A.
