Dear Dr. Andaya:

SUBJECT: 2024 INTERNATIONAL CHINESE DAY SERIES OF ACTIVITIES

Greetings of prosperity from the Confucius Institute at AUF!

The CI-AUF joins the world in celebrating the **2024 United Nations' Chinese Language Day** on April 18, 2024. To celebrate this day, the CI-AUF, in collaboration with San Francisco High School (Quezon City), will organize the SPFL-Chinese Mandarin Classroom Observation and Chinese Cultural Exhibition. This activity will allow SPFL-Chinese Mandarin teachers to demonstrate their language and pedagogical skills while receiving technical assistance to further enhance their instruction. Additionally, the Chinese Cultural Exhibition will enable both teachers and students to deepen their understanding of Chinese culture.

Therefore, we kindly request the release of the DepEd-NCR Regional Memorandum regarding the conduct of this activity. Rest assured, the CI-AUF and San Francisco High School will not encounter any disruptions during the execution of these activities. Furthermore, we would appreciate it if the Schools Division Office of Quezon City would permit the schools implementing SPFL-Chinese Mandarin to send representatives to the opening ceremonies on **April 18, 2024, at 8:00 AM, hosted at San Francisco High School, 1 Misamis St, Bago Bantay, Quezon City, Metro Manila.**

Lastly, we extend an invitation for you to deliver the Opening Remarks during the aforementioned program.

Thank you for your attention to this matter, and we eagerly anticipate your favorable response.

Xiexie! Mabuhay!

With high regards,

CAVIN E. PAMINTUAN, Ph.D., LPT
Philippine Director
