Dear MADAM:

For more than 100 years, the Philippine Nurses Association (PNA) remained to be the vanguard and champion of the welfare of nurses in different fields of practice. With the changing environmental landscape spawned by various socio-political advancements, the needs of nurses also changed largely that must be addressed. PNA seeks to form a strong alliance with concerned agencies to design initiatives that will ultimately address these concerns. Such is a manifestation of PNA's commitment in caring for the nurses of today that will be significant in safeguarding the future – one that has a strong and united nursing profession that will be responsible in promoting health, preventing, and managing disease, and in rehabilitating. In the celebration of PNA's **8th Summer Conference**, the International Council of Nurses' (ICN), "**Our Nurses. Our Future. The Economic Power of Care**", shall be the focus, which set on May 10, 2023, at the Century Park Hotel, Malate, Manila.

As the said conference is tagged as a national activity, we are seeking for your kind assistance and support by allowing nurses under your jurisdiction to attend this activity on **OFFICIAL BUSINESS**. Important issues and concerns affecting nurses and nursing, in general, shall be discussed, which will be beneficial not only for nurses but also to those committed unto their care.

May this request merit your kind attention, approval, and endorsement.
