KITCHEN REACTIVATION ACTIVITIES IN PARTNERSHIP
WITH JOLLIBEE GROUP FOUNDATION (JGF)**

DATE : April 15, 2024

The Bureau of Learner Support Services – School Health Division (BLSS-SHD) under the Operations Strand is continuously spearheading the implementation of the School-Based Feeding Program (SBFP) across the country through the provision of Hot Meals (HM)/Nutritious Food Products (NFP) and Milk. This initiative aligns with the General Appropriations Act (GAA) for FY 2024 and in compliance with Republic Act No. 11037 “Masustansyang Pagkain para sa Batang Pilipino Act”.

In order to scale up and strengthen the implementation of SBFP, a partnership with Jollibee Group Foundation (JGF), the pioneer in establishing central kitchens, was sought. This renewed partnership has three project components, namely: (1) Training of DepEd Coaches focused on capacitating CO and RO personnel to engage with LGUs to support the establishment of CKs and provide technical advice on setting up and operationalizing CKs; (2) Establishment of Training Centers for CK Management in three (3) years where 5 kitchen sites per year will be selected that will serve as learning hubs for setting up CKs; and (3) Development of learning manuals and videos that will serve as reference for CK establishment and operations.

Part of this partnership involves reactivating the operation of established CKs halted during the pandemic. In connection with this, the following activities shall be conducted by the JGF in some of the specific CK sites to ensure the effective implementation for SY 2024-2025:
