“First in Educational Learning Trend Always”

May 29, 2024

Dr. Jocelyn DR. Andaya
Regional Director
DepEd- National Capital Region Quezon City

Dear Dr. Andaya;

Warm greetings from FELTA MULTI-MEDIA INC.!

FELTA MULTI-MEDIA, INC. as the national organizer of the 23rd Philippine Robotics Olympiad (PRO) - a science, technology and educational event which aim to offer our country's promising elementary and secondary students and opportunity to expand their horizons through the exploration of robots and robotic systems in schools. Moreover, it aims to provide a host of opportunity to stimulate early design, engineering and computing skills highly relevant towards progressive education. The PRO encourages our youth to be future engineers, scientists and inventors to help our country to be technologically driven.

The World Robot Olympiad Finals was held in Panama November 7-10, 2023 concluded with resounding success, marking a significant milestone as the largest and most internationally acclaimed robotics event in the world. Showcasing exceptional innovation, creativity, and technological prowess, the event hosted a myriad of talented participants from 82 countries, across the globe, culminating in a celebration of robotics excellence. The event witnessed an outstanding display of skill and ingenuity from various competing teams, with the Philippine Robotics National Team emerging as a beacon of success. The team's remarkable achievements are as follows:

Silver Rankings were achieved by:

Project 6 Elementary School (DepEd, Quezon City) in category of Future Innovators – Elementary

Dr. Yangas Colleges, Inc. in category of Future Innovators – Junior High School

Marie Ernestine School (Lapu Lapu City, Cebu) in the category of Robo Mission Senior High School

Additionally, several teams secured notable Bronze Rankings, including:

Batangas State University in the Future Engineers category and the Robo Mission categories for both Junior High School and Senior High School

IBO Elementary School (DepEd Lapu Lapu, Cebu) in the Robo Mission, Elementary category

Betty Go Elementary School (DepEd Quezon City)

Japer Memorial High School in the Robo Mission and Future Innovators categories for both Junior High School and Senior High School

Marigondon National High School (DepEd Lapu Lapu, Cebu) in the Robo Sports category

Legazpi City Science High School (DepEd Bicol) in the Robo Sports category

St. John's Wort Academy (Antipolo City)
Dr. Yanga's Colleges Inc. (Bocaue, Bulacan)
Japer Memorial High School (DepEd Bohol)

In this regard, may we request for a **DepEd Region Memo** for the conduct of the 23rd Philippine Robotics Olympiad with a theme "Earth Allies" on July 23-25, 2024 at Ayala Malls Trinoma Activity Center, Edsa cor North Avenue, Quezon City. For more details, please visit www.felta.ph. Attached is the DepEd Advisory from DepEd Central.

This year, the winners of the 23rd PRO will represent the Philippine Robotics National Team at the World Robot Olympiad 2024 in Izmir, Turkey on Nov. 28-30, 2024 and World Robot Olympiad Friendship Invitational 2024 to be held at Brescia, Italy on September 25-28, 2024.

Thank you so much for your continued support and consideration to host the 23rd Philippine Robotics Olympiad.

Very truly yours,

MYLENE ABIVA
