SUBJECT : **FY 2023 NATIONAL QUALIFYING EXAMINATION FOR SCHOOL HEADS (NQESH) POST-EVALUATION ACTIVITY**

DATE : June 18, 2024

The Bureau of Human Resource and Organizational Development (BHROD) remains steadfast in its commitment to ensure that every school has a competent and qualified School Head. Last February 26, 2024, the administration of FY2023 NQESH has been officially announced through a DepEd Memorandum No. 013, s. 2024.

This prompted the need to set forth necessary activities and measures to conduct series of capability building activities to capacitate all personnel involved in the administration of the FY2023 NQESH on the features and functionality of the examination platform and site requirements and procedures to administer the examination and perform their duties and responsibilities efficiently and effectively.

Following the completion of the FY2023 NQESH capability building, mock examinations as well as the actual examination last May 26, 2024, and June 2, 2024, there is a need to conduct a post evaluation activity as part of continuous improvement principle with the following objectives:

1. Presentation and analysis of consolidated survey form from the examinees;
2. Review and assess the significant points in the CO Monitor report;
3. Identify various issues and challenges that occurred before, during, and after the conduct of the FY2023 NQESH; and
4. Solicit recommendations and suggestions for the future conduct of NQESH.

In connection with this, each region is requested to **authorize the attendance and participation of three (3) representatives** as follows:
