Dear Sir,

Greetings!

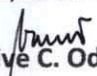

Child Evangelism Fellowship is a non-government organization that aims to establish children on the Word of God. Existing in 190 countries worldwide, CEF works in partnership with different institutions to teach children moral and spiritual values so that they become responsible citizens of our country.

One of our program is the **Elementary and High School Evangelistic Campaign (ESHEC)**, this is a once a year visit **distributing Book of Hope/Everyday with God** (Tagalog Version) in various public and private elementary and high schools in the National Capital Region. For the past 11 years, we were able to distribute less than a million copies of the said book, and we would like to continue on giving this in different schools this coming School Year 2024-2025. Last school year, we were able to distribute 222,477 BOH to 250 schools.

In this regard, we would like to earnestly seek your approval for School year 2024-2025 to continue visiting schools and giving away this book and explain to the children the content of the book that would last for five (5) to ten (10) mins every class room. For question, please feel free to contact me at (0910)377881 or email at olive.odasco@yahoo.com

We look forward to and praying for your favorable response. Thank you very much and God bless you!

Respectfully yours,

  
**Olive C. Odasco**  
 Regional Director  
 CEF NCR

Please see attached respond to our request last year.
