GEOID QUIZ 2024 AND THE EARTHISTIC 2024 POSTER-MAKING CONTEST

Attached is a communication from the University of the Philippines Geodetic Engineering Club (UP GE Club) regarding their upcoming events: the Geoid Quiz 2024 and the Earthistic 2024 Poster-Making Contest, in celebration of the UP GE Club's 87th anniversary. These events, scheduled for October 19, 2024, focus on the themes *Sapientia: Advancing Geospatial Intelligence for a New Era* and *Ingenium: Ingenuity Shaping the World of Geomatics through Time*, respectively.

The competitions aim to raise awareness and foster interest among high school students in the fields of geodetic engineering and geospatial advancements. Participation is open to public and private high schools across the region.

For further queries and information, Schools Division Offices are requested to coordinate with the event coordinators at 0915-116-0114 / 0943-455-9222 or via email at geoidquizearthistic.upgeclub@gmail.com.

Immediate dissemination of this advisory is desired.

JOCELYN DR. ANDAYA

Regional Director

Department of Education NCR

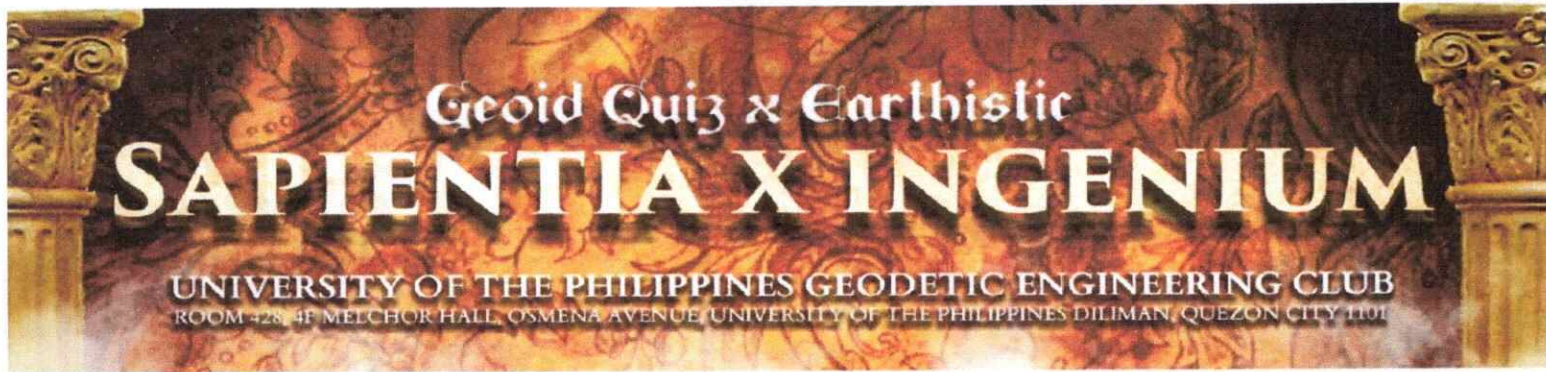

Bago Bantay, Quezon City

Dear Dr. ANDAYA:

Mabuhay!

The University of the Philippines Geodetic Engineering Club (UP GE Club) is a duly recognized academic organization in the College of Engineering, University of the Philippines Diliman. For more than eight decades, it has actively forwarded its objectives of fostering the development of geodetic engineering and science as well as promoting proficiency, competence, and excellence in this field of study.

As part of its 87th anniversary celebration, UP GE Club will once again hold the Geoid Quiz and Earthistic Poster Making Contest with the theme **SAPIENTIA x INGENIUM: Bridging Knowledge and Innovation for Geospatial Advancement**. Geoid Quiz is an annual quiz show introducing the geodetic engineering field and its importance among high school students by testing their skills in mathematics and science. Germane to this, Geoid Quiz 2024 will be held on October 19, 2024, revolving on the topic: **Sapientia: Advancing Geospatial Intelligence for a New Era**. Meanwhile, Earthistic is a poster-making contest showcasing the artistry of high school students that helps raise awareness for the environment. This year, Earthistic revolves around the topic: **Ingenium: Ingenuity shaping the world of Geomatics through Time**. The event will also be held on October 19, 2024.

These events aim to broaden the awareness, interest, and understanding of high school students in the field of Geodetic Engineering while being fun, interactive, and challenging.

In this light, we would like to ask for your endorsement of our events addressed to high school principals or heads in this worthwhile endeavor and help us invite and encourage public and private high schools to participate in the aforementioned events. Should you have any concerns or inquiries, please do not hesitate to contact us at 0915-116-0114 or 0943-455-9222. You may also reach us through email at geoidquizxearthistic.upgeclub@gmail.com.

Thank you very much.

Sincerely yours,

Joshua O. Diacamus
