DIR. JOCELYN DR ANDAYA
Director IV, Bureau of Curriculum Development
Regional Director, DepEd-NCR

Dear Ms. Andaya:

Greetings from the Technical Education and Skills Development Authority!

We are pleased to inform you that the Technical Education and Skills Development Authority (TESDA) will be conducting the 2024 Philippine National Skills Competition (2024PNSC) which will be held at the World Trade Center in Pasay City from August 21-25, 2024.

The competition will bring together close to 250 skilled Filipino youth to compete in 25 different skills categories. This event serves as a significant venue to recognize skills excellence and innovation, showcasing the talents of young industry-skilled workers and graduates from various parts of the country.

The said competition is the culmination of a series of local, provincial, sectoral and regional contests held nationwide. The winners of silver and gold in the 2024 PNSC will have a high chance of competing in the upcoming 14th Worldskills ASEAN competition to be hosted by the Philippine in August 2025.

The 2024 PNSC will also feature exhibits, skills demo and interactive activities to promote the latest technology on which participants may try to test the skills and talents they have. The activity might also ignite their desire to make TVET their chosen field and be the window for their success.

In view of the above, we are respectfully requesting assistance from your office in inviting students and members of academe to attend and observe and or participate in the said event. We understand that we need your approval in allowing the students to attend such events during class hours, may we suggest that letting students submit reaction paper on their experiences during the event.

We believe that with the support of your esteemed office, the PNSC will be a resounding success, contributing significantly to the promotion of skills development and excellence among our youth. Your cooperation and assistance will be invaluable in making this event a memorable and impactful experience for all participants and attendees.

For any clarifications or inquiries, please feel free to contact Dir. Cariza A. Dacuma, the Pasay Makati District Director at mobile phone number 09175732700.

Thank you very much for your usual cooperation and support.

Very truly yours,

ENGR. JOVENCIO M. FERRER JR.
Regional Director *ind*
National Capital Region

The **Philippine National Skills Competition (PNSC)** is a competition that serves as a venue to recognize the skills excellence of young industry-skilled workers and graduates of technical-vocational schools and training centers. The PNSC aims to hone competitive Filipino workers who possess world-class skills and work values and attitudes.

The competition culminates in a series of local, provincial, sectoral, and regional contests held nationwide. Winners of the regional contests vie for gold in the PNSC. Winners in the PNSC undergo further training to prepare them for international skills competitions like the ASEAN Skills Competition and the WorldSkills Competition.

OBJECTIVES

- To inspire young Filipinos to develop a passion for skills and pursue excellence through competitions.
- To provide recognition for technical excellence and develop a new generation of highly skilled professionals.
- To select the best and the brightest skilled individual to represent the country in the international competition, and
- To encourage and facilitate collaboration and partnership with private industries and organizations, SUGs, TVIs, and other government institutions.
