The Department of Education (DepEd) and Khan Academy Philippines Inc. (KA PH) have forged partnership to collaborate on implementing programs in select schools that could help improve education outcomes. The pilot program is aligned to DepEd's vision of reinforcing foundational skills in literacy and numeracy, revitalizing Reading, Science, and Math programs, and supporting teachers and learners with technology to maximize the benefits of digital and remote learning.

In this connection, the following activities will be conducted:

For Batch 1 Schools: *(The list of schools is attached.)*

Should any of the concerned personnel listed above do not receive such email within the indicated dates, kindly inform them to email support@khanacademyphilippines.org as soon as possible.
