SUBJECT : **TAGGING OF CLASSES AND ROSTERING OF STUDENTS IN KHAN ACADEMY CLASSROOM**

DATE : October 10, 2024

This is in reference to the communication received by this Office on tagging of classes and rostering of students in Khan Academy.

Based on the letter, there are 64 schools in Batch 1 which have not tagged classes and there are 9 schools which have rostered very few students. Tagging and rostering are essential to have valid data that can be utilized in monitoring the usage and students' mastery of mathematics skills on Khan Academy. These data will also help education leaders in coming up with an evidence-based decision.

Attached is the list of schools that have not tagged classes and have concerns on rostering students. Please be reminded that the deadline of tagging/rostering is on October 11, 2024.
