**Dear Students, Supervisors, and School Officials,**

We are thrilled to invite you to participate in the 6th Copernicus Olympiad, an international competition designed to inspire and challenge the next generation of young scientists, mathematicians, and entrepreneurs. Our mission is to cultivate a passion for learning and innovation among students worldwide.

**About the Copernicus Olympiad:** The Copernicus Olympiad is an annual event that brings together bright minds from around the globe to compete in various disciplines. For our 6th edition, we are excited to announce the following categories:

- Natural Science Olympiad
- Physics & Astronomy Olympiad
- Copernicus Entrepreneurship Olympiad (CEO)
- Mathematics Olympiad

**Why Participate?** Participating in the Copernicus Olympiad offers students the opportunity to:

- Test their knowledge and skills in a competitive environment
- Connect with peers from different countries and cultures
- Showcase their talents on an international stage
- Receive recognition and awards for their achievements

**Event Details:**

- The Copernicus Olympiad consists of two rounds: the Preliminary Round and the Global Round.
- The Preliminary Round will be conducted online.
- Exams will be available in four languages: English, Russian, Spanish, and French.
- Qualified students will be invited to participate in the Global Round.

**Registration:** We encourage both new schools and returning participants to register for the 6th Copernicus Olympiad. Detailed information about the syllabus, registration process, and important dates can be found on our official website: [www.copernicusolympiad.us](http://www.copernicusolympiad.us). Prepare your students for the Preliminary Round using the resources provided on our site.
