SUBJECT : **ENHANCEMENT OF SCIENCE PROCESS SKILLS OF GRADES 3 TO 6 SCIENCE TEACHERS**

DATE : November 13, 2024

The Department of Education (DepEd) through the Bureau of Learning Delivery (BLD) will be spearheading a project **“Science Process Skills Enhancement of Grades 3 to 6 Science Teachers”**. This aimed at enhancing teachers’ knowledge and skills about Science Process Skills and effectively apply and use them in delivering classroom science instruction. In view of this, BLD will conduct the **Orientation on the Utilization of TL Resource Package for the Enhancement of Science Process Skills of Grades 3-6 Teachers** scheduled on **December 4-6, 2024** in the **National Capital Region** (exact venue to be announced). This Office would like to request participants from the regions composed of either Science Education Program Supervisors, School Heads and/or Head Teachers at the elementary level. The number of participants per region with the list of facilitators is attached as Enclosure 1.

Participants are expected to arrive at the venue at 8:00 a.m. on Day 1. The first meal is breakfast on Day 1, and the last meal is PM snacks on Day 3 of the activity. Attached is the Indicative Program of Activities as Enclosure 2. Participants are advised to bring their own laptop. Moreover, board and lodging shall be charged against the 2024 BEC Continuing funds, while traveling expenses shall be charged against the BEC Travel Funds downloaded to each region, subject to the usual government accounting and auditing rules and regulations.
