SUBJECT : **CAPACITY BUILDING OF SENIOR HIGH SCHOOL (SHS) TEACHERS ON EMBEDMENT OF TECHNICAL AND VOCATIONAL EDUCATION AND TRAINING (TVET) QUALIFICATION ACROSS SHS CURRICULUM**

DATE : November 6, 2022

In line with President Ferdinand R. Marcos Jr.'s directive to harmonize Technical Vocational Education and Training (TVET) in Senior High Schools (SHS) and to expand the access and relevance of TVET in the SHS tracks—namely: 1) Academic, 2) Arts and Design, 3) Sports, and 4) Technical Vocational Livelihood—the Department of Education (DepEd), in cooperation with the Commission on Higher Education (CHED), Department of Labor and Employment (DOLE), and Technical Education and Skills Development Authority (TESDA) has signed the Joint Memorandum Circular on Strengthening Senior High School Curriculum and Delivery by Embedding TVET in Senior High School Tracks Towards Workforce Readiness and Employability that aims to strengthen the SHS curriculum and delivery by strategically embedding TVET across SHS tracks.

In relation to this, TESDA will conduct a series of training activities, both online and in person (see *Annex 1* for schedule). Selected SHS teachers are invited to participate in the said activities (see *Annex 2* List of Participants). Likewise, participants/school heads/TVL Supervisors-in-charge for TVL, STEM, HUMSS, and ABM are requested to attend the virtual orientation on November 22, 2024, from 10:00 am- 12:00nn. An advisory will be provided for the meeting link.

Board and lodging, supplies, and materials shall be charged to TESDA funds, while travel expenses shall be charged to local funds. If the downloaded funds are insufficient, additional funds may be obtained from other available local sources, subject to standard auditing and accounting procedures.
