In addition, Khan Academy would like to remind the schools of the following:

### On school verification:

Khan Academy (KA) will go to each school in the list to validate if the schools have met the technological requirements as well as establish rapport with the personnel from the ROs, the SDOs and school heads. In line with this, KA would like to request that any personnel of the SDO or RO (Math EPS, PSDS and/or IT Officer) to accompany KA in going to the schools so that verification will be swift and more efficient. Schools need not prepare anything such as program, lay, food, etc. KA will stay 20-30 minutes per school where they will do the following:

| What to check  | What to ask  | Who are expected to be in school  |
|--|--|---|
| Strong internet connectivity (at least 100 Mbps) I device per student user (in computer lab or wherever they will do Khan) Eager administrators and teachers | Grade level and<br>number of sections<br>that will implement<br>Number of teachers<br>for training | Principal or Asst.<br>Principal or Grade level<br>head<br>School ICT focal person |

It is also requested that the devices (PCs, laptops, tablets, etc.) in the computer lab, are turned on during the day of the visit so that verification team can easily check, the internet speed.

### After the school verification:

School head of each school that passed the verification must accomplish the Expression of Interest Form and Confirmation of Terms of Use for the Khan Academy Philippines that can be accessed in this link: <a href="www.bit.lv/KAPH-Y2-EOI">www.bit.lv/KAPH-Y2-EOI</a>. This should be accomplished immediately after the school verification.

For the Session 2 which is face-to-face training of teacher-implementers, KA is requesting for a venue within the indicated SDOs/ROs that can accommodate at least 150 pax of teachers, and with strong internet connection. Khan Academy Philippines will provide training kits. Please advise the participants to bring their own device (preferably laptop) and backup internet connection. Teachers also
